

Curious Creatures

Make a playful pet and teach it to behave

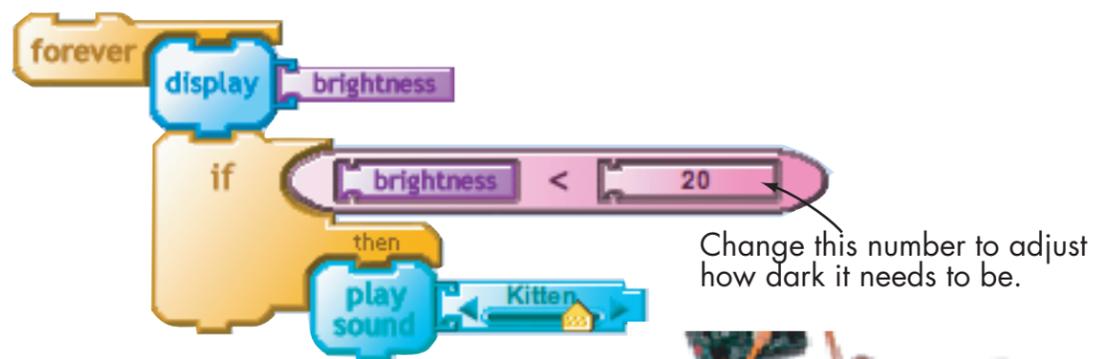

Imagine a cat that meows when you pet it

Build the body

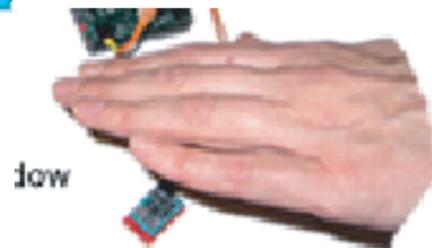

Make it meow

Make your cat meow when you pet it.

Cast a shadow on the brightness sensor

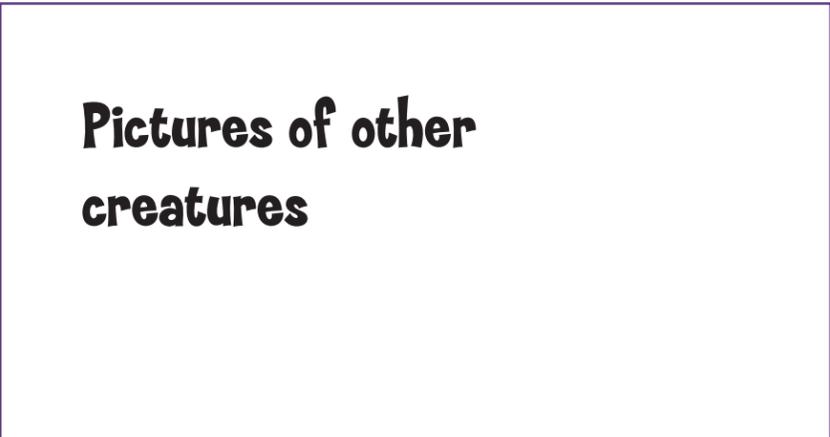

Add face and fur

Play with your pet

Put your programmable pet in the refrigerator. Can you hear it meow when you close the door?

More Things To Try

Pictures of other creatures

What kind of creature do you want to create?

How about a dog that wags its tail when you pet it?

Or a duck that quacks a tune?
