	good	80	_____
	excellent	90	_____
Style and Documentation (10)			
	missing	0	_____
	fair	5	_____
	good	8	_____
	excellent	10	_____
Total:		100	_____

- Use material and lighting throughout; no `THREE.MeshBasicColor`.
- Make your best guess at the material colors.
- Implement a way to turn texture-mapping on/off.
- Deal with the triangle at the top of front and back.
- Texture repetition is required.
- Result looks nice.
